Note that unborn children in the first or second trimester **cannot** be included as part of your household (but unborn children in their third trimester can be counted as part of your household under this program’s guidelines).

Legally married couples shall be considered part of the household **unless** the applicant can provide verification that the households are separated and living at separate addresses. Verification must be a copy a court filed document showing that divorce/separation has been filed (if the legal document shows separate addresses for the partners), OR copies of separate leases and/or copies of utility bills in their name at separate addresses (if no court filed information is available), OR notarized statements from each spouse confirming that they are separated and living at separate addresses (if no court filed information is available). Minors/dependents can only be considered part of the household if heads-of-household have physical custody or guardianship for 180 days a year.

Also note that unrelated and unmarried household members applying together will need to provide verification that they currently live together at the time of final Program Certification. Unmarried engaged households without a history of living together are not eligible.

However, please note that a minimum of one person per bedroom is required unless you have a disability or medical need for an extra bedroom which must be documented after the lottery.
